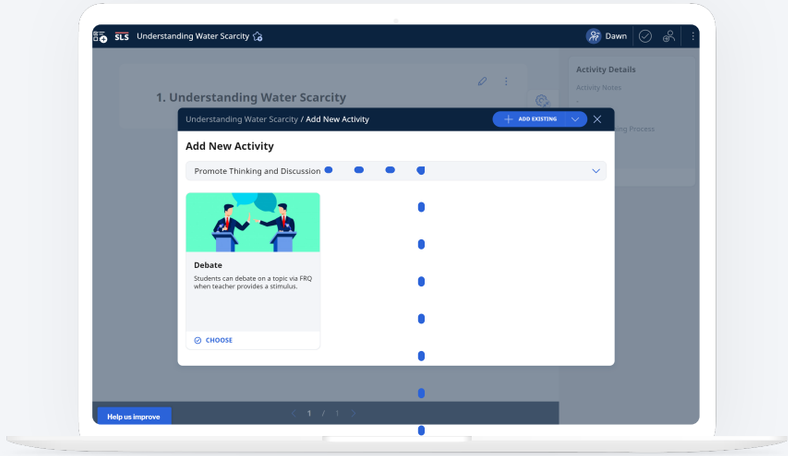
Student Learning Space

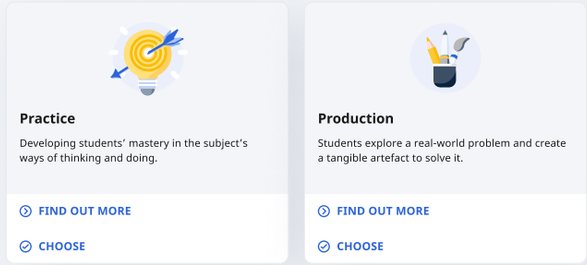
Use New Templates and Add Multiple Activities to Lessons!

New Activity Templates



Select from various activity templates categorised by the active learning processes to design your lessons and courses.

New Learning Experience (LE) Templates

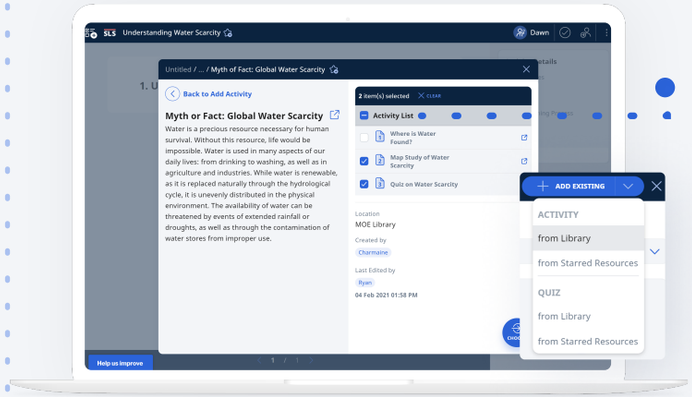


- **Provide Pedagogical Support**

  Support effective feedback and application of subject mastery using the 'Practice' template.

  Design authentic tasks for students to prototype solutions using the 'Production' Template.

Add Multiple Activities to Lessons and Courses



- **Ease Lesson and Course Creation**

  Add existing activities from the MOE Library, Community Gallery, My Drive and Starred Resources!

NEXT POSTER

Monitor students' learning progress and provide feedback efficiently!
