

# What's New in the Lesson Editor?

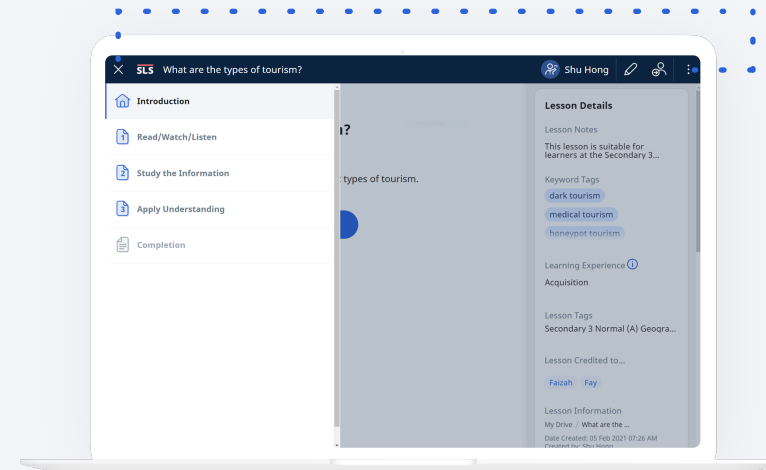

COMING TO YOU ON 18 MARCH

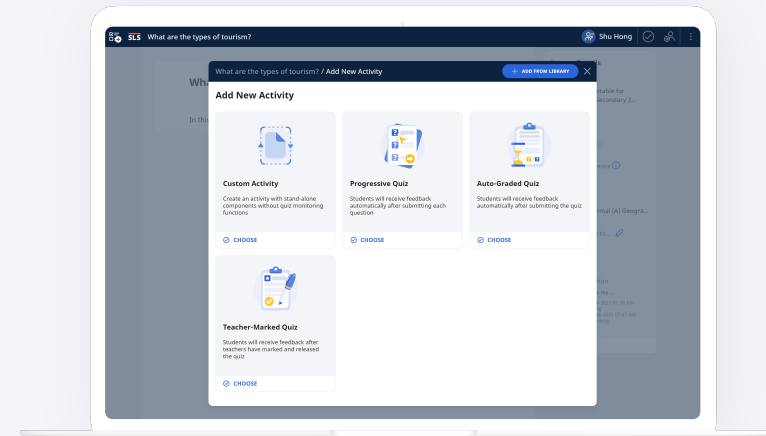

The refreshed lesson editor mirrors your students' view for seamless lesson planning.

## Changes to Lesson Creation

- **Quick Access to Activities**  
Access activities quickly using the menu placed in the header of the lesson editor!

- **Activity Selection**  
Cater to different learning needs easily with a selection of activities!

### NEXT POSTER

Analysing students' responses - simplified!
