

More Enhancements on SLS!

COMING TO YOU ON 8 DECEMBER

New "My Subjects" Page!

1 Follow Subjects

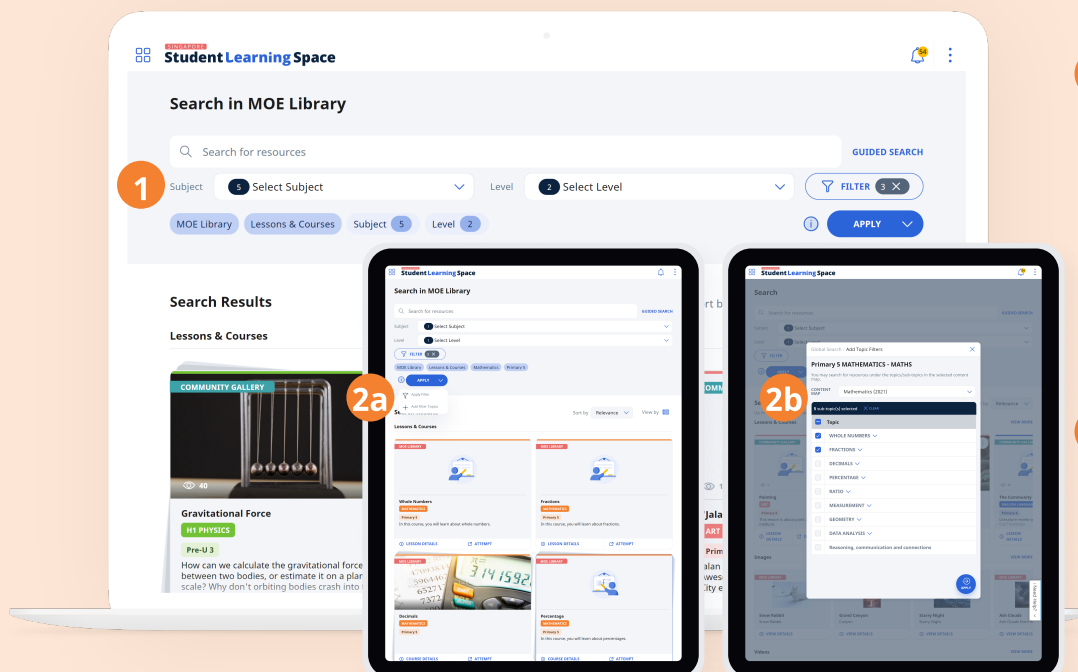

By clicking on "Follow More Subjects" (1), you can follow any subject that you are interested in and learn more!

2 Search for Resources Easily

By clicking on "View Content Map" (2), you can easily search for selected resources by topic or subtopic in "MOE Library" (2a)!

Find Resources That You Want More Easily!

1 Search Using Filters!

Searching for resources in "MOE Library" is now easier! Simply select "Subject" and "Level" filters and apply them to your search!

2 Refine Searches

Need resources on specific topics quickly? Simply select "Add Filter Topics" (2a) to search for topical resources (2b)!

QUESTIONS ABOUT USING SLS?
