

Collaborative Learning in SLS

COMING TO YOU ON 1 DECEMBER

1 Direct Access to your Google Drive (G)

Add (1a) and embed (1b) files directly from your Google Drive.

2 Individualised Copies

No need to create individual files for each student anymore. SLS will do it for you and include their names too!

Q1

Write at least 3 ideas for your introduction

Q1

INSTRUCTIONS

Only one person can edit the team response at any one time. You can save team response as a draft for other teammates to edit it or submit answer as a team once the team response is finalised.

Upload a file with your answer. You can attach up to 10 files.

Please use the file below to write a paragraph as a team.

[3Awesome] Expository Essay Writing

You are editing the team response. Your teammates can only view and edit the team response after the draft is saved.
