Starred Resources in SLS!

Star up to 300 resources and retrieve them when designing your lessons and courses.

Manage and Use Starred Resources

Save Starred Resources

Simply click on (☆) to star lessons, courses, media objects, questions, and quizzes from the MOE Library, Community Gallery, My Drive and resources found in searches!

Add Starred Resources

Add various types of starred resources through the Lesson or Course Editor!

NEXT POSTER
New activity and learning experience templates for lesson design!
